

## West Volusia PAL Player Weekly Progress Report

### Middle School

Teachers, please complete this progress report so that we at WVPAL may monitor the success of our student athletes, both on and off the field. While athletic accomplishments are important in youth development, so are academic accomplishments. WVPAL is taking a more hands on approach to ensuring the on and off the field success of our student athletes, and these weekly reports will assist us in creating future productive citizens and athletes.

Teacher/Subject/Initials	Respect	Leadership/Initiative	Academic Performance

**Respect-** (1) Respected self, others, authority figures, and environment. Created no class disruptions. (2) Mostly respectful, created very little disruption in class. (3) Somewhat respectful, created some distractions. (4) Not at all respectful, created many disruptions.

**Leadership/Initiative-** (1) Participated willingly and appropriately in class. (2) Participated in class, but had to be asked occasionally. (3) Participated little in class, and always needed to be asked. (4) Did not participate in class.

**Academic Performance-** (1) Completed all home and class work, and if there were any tests the student performed well. (2) Completed most home and class work, and performed adequately on any tests. (3) Completed some home and class work, and performed fair on any tests. (4) Did not complete any home or class work, and performed poorly on any tests.
